Waiting Together

Having had the privilege of joining Our Daily Bread Ministries this past fall, I am amazed at the work God is accomplishing through Discovery House books.

Of course you know Discovery House as the publisher of *My Utmost for His Highest*, the developer of *Our Daily Bread* compilations, and the creator of enriching, Bible-based devotional books, Bible study resources, and Christian living titles. What you may be less aware of is the international scope of the ministry—how *Our Daily Bread* is made available in some fifty languages around the world. The books and resources we provide for you make it possible to support seekers and Christians globally.

Our Daily Bread Ministries has a legacy that goes back more than seventy-five years; Discovery House has been publishing Christian books for more than twenty-five years. While the culture changes, the need and the message remain the same—and Discovery House has been faithful in publishing Bible-based content from the beginning.

It's exciting for me to become part of a ministry with this gospel heart and this global scope. I'm proud to be joining a team of God's servants whose mission is to communicate biblical truth to people of all ages and cultures, and who create resources, books, and media that help bring people closer to God.

That, indeed, is the gospel, and we're all partners in it.

For Christ and His Kingdom,

Praying With Jesus

James Banks

Cover Not Final

- Includes six 12–15 minute sessions with a relaxed face-to-face approach
- Features a study guide with questions and practical exercises for prayer sessions
- Answers widespread questions about the purpose, challenges, and practice of prayer

The Bible says “the prayer of a righteous person is powerful and effective,” so what does it mean when prayers go unanswered? The Bible also tells us to “pray without ceasing,” but what does that look like in today’s fast-paced world? In this direct and personal DVD series, James Banks tackles these questions, and many more, in 6 concise sessions. Biblical examples, from prayers of praise to “wrestling” prayers, reveal how prayer builds faith and brings people closer to the God of all creation. Paired with a thought-provoking study guide, *Praying with Jesus* is perfect for individuals, couples, families, and church groups.

Dr. James Banks is the author of *Prayers for Your Children*, *Praying the Prayers of the Bible*, and regularly encourages people to pray through his books, blog posts, and magazine articles. Dr. Banks has been a pastor and church planter for more than twenty-five years and lives with his wife, Cari, in Durham, North Carolina. They have two adult children.

Why Doesn't God Answer Me?

Ray C. Stedman

- Helps to develop a stronger prayer life
- Emphasizes God as the focal point of prayer
- Affirms God's presence, power, and provision

Here's a fresh perspective on prayer that can change the way people talk to God—and respond to His silence. Based on Psalm 77, this Bible study examines the story of Asaph, a man nearly driven to despair because it seems God refuses to answer him. Readers are challenged to focus on God before praying about hurts, needs, feelings, and petitions. *Why Doesn't God Answer Me?* helps readers step away from doubt and fear, move into a renewed and deepened faith in God, and affirm His greatness in their lives.
